Elizabeth Macarthur Montessori Pre-School Society

Elizabeth Macarthur Montessori Society (ABN 42109165986) is a non profit organisation and an approved registered charity, with limited liability. The organisation exists to provide a school based on the Montessori method of education and to promote the philosophy within the community. A copy of the Memorandum and Article of Association is held at the school.

School Council

Elizabeth Macarthur Montessori Pre-School is a school with an elected Council whose decisions guide the overall development of the school. These parents are elected annually and can be on council for a period no longer than two years in the same position, unless circumstances arise and an extended term of year. This is provided they stand for re-election each year.

The council is a constructive union of individuals who do their best to resolve the many issues that arise whilst maintaining the harmony that is essential to our ongoing success and respecting the best interests of our children.

Elizabeth Macarthur Montessori Pre-school aims to ensure that all parents, at some stage of their involvement with the school, serve on the council.

The Council ensures that the society and the school operate within the dictates of its memorandum and articles of association and is accountable to the members of the society. The council's main functions are to set policies and to oversee the management of the school.

The School Directress is accountable to the Council for the educational aspects and day to day running of the school.

All members and staff are welcome to attend Council Meetings which are held monthly. Meeting dates are listed in the New Letter and notices posted on the notice board.
